## Top Reasons to choose Chubb Insurance Company of Canada for Automobile Insurance

**Exceptional Claims Service.** We're here for you around the clock — with 24/7 emergency services — and we issue most loss payments within 48 hours of a claim's settlement.

**"Never compromise integrity".** Our commitment to this philosophy has garnered Chubb a global reputation for handling claims promptly and fairly, with a level of human empathy that is unparalleled.

**Use of Original Equipment Manufactured Parts (OEM).** We repair your car with OEM parts, not generic parts, wherever possible.

**Choice of Body Shop.** Use your favorite body shop. Or, if you prefer, we can help you find a high quality repair shop that will guarantee their work for as long as you own your vehicle.

**Rental Car Coverage.** Our limit across North America of \$75,000 ensures you have adequate coverage for the vehicles you rent. Additional world-wide coverage is available through a Masterpiece® Personal Excess Liability policy.

**Loss of Use.** With a value of \$1,500, \$3,000 or \$5,000 per occurrence and no daily limit, our customers have the flexibility they need to rent a suitable substitute vehicle without having to compromise on quality.

**Agreed Value & Limited Waiver of Depreciation.** The Agreed Value endorsement allows you to know the settlement value for your vehicle at the time you obtain your policy, while the Limited Waiver of Depreciation ensures that your vehicle is replaced with a current make and model. In the event of a covered total loss or theft, the deductible is waived and no depreciation applies for both endorsements.

**Ability to Insure High Value, High Performance & Sport Vehicles.** Chubb offers extensive underwriting and claims expertise for high-value and exotic vehicles.

**Strategic Pricing.** Prices are geared towards owners of luxury vehicles. Chubb also offers a wide selection of credits — recognizing loyalty, vehicle value, and driving experience — aiming to provide the most competitive pricing where it matters most.

**Chubb Creates Certainty.** You trust Chubb to insure your most important asset — your home. Shouldn't you trust Chubb to insure your largest exposure to a lawsuit — your car?
