

CPI is pleased to launch Chubb**Folio**, a complimentary service that provides a fast and easy way for our Chubb customers to access their policy documents online at any time.

If you are a Personal Insurance customer insured through Chubb's Employee Program, you are invited to participate in the pilot phase of this exciting new service. In the coming days, you will be receiving a letter containing your unique access code and detailing 5 easy steps to enrol in Chubb**Folio**.

With Chubb**Folio**, your insurance policies are at the tip of your fingers 24/7, your bulky insurance files are replaced with online documents, and you are doing your part to protect the environment. With Chubb**Folio**, you will:

Save time. Once enrolled, you'll be able to access your Chubb documents as soon as they are released, instead of waiting for them to arrive through paper delivery services. You'll be able to access Chubb**Folio** at any time when you have access to the Internet.

Save space. With Chubb**Folio**, you won't need to clutter up your home or office with paper. If necessary, you can always print your own paper copy at any time.

Save trees. By enrolling in Chubb**Folio**, you are making a choice to receive less paper and by doing so you are doing your part to protect our environment.

The first 100 customers to enrol will be eligible to win 1 of 5 iPad Airs in an upcoming prize draw! After the winners are announced you will be asked to share feedback on your experience with Chubb**Folio** before you claim your prize.

Throughout the pilot program we are eager to collect your feedback on Chubb**Folio** and will be conducting feedback sessions with enrolled Chubb**Folio** customers. Stay tuned for invitations to participate and please do not hesitate to contact us at ChubbCustomerCare@chubb.com if you have any feedback to share with us.

We look forward to welcoming you to your online Chubb portal (<https://chubbfolio.chubb.com>)!

Ellen Moore and Paul Johnstone
