

CHUBB MASTERPIECE®

# Equipment Breakdown

## Top Reasons to choose Chubb Insurance Company of Canada for Equipment Breakdown Insurance

**Generous Limits.** Equipment Breakdown coverage limits start at \$100,000.

**Additional Living Expense.** Chubb provides additional living expense coverage for the reasonable costs you incur for temporary accommodations necessary to maintain your standard of living until repair or replacement can take place, from a covered loss. There is no sublimit, time limit or deductible applicable.

**Home and Contents.** Chubb covers your household equipment that is lost or damaged due to an accident (i.e. mechanical or electrical breakdown, tearing apart, cracking, rupture of a heating system), whether or not the equipment is permanently installed in your house (i.e. fridges, dryers, washers, entertainment equipment).

**Extra Expense.** Chubb covers the costs you incur for temporary repairs and increased expenses, such as the cost to rent air conditioning equipment until repairs can take place or the expense to have an electrician install temporary wiring.

**Property of Others.** Chubb Equipment Breakdown coverage also protects against losses to property of others in your care, custody and control.

**Green Coverage.** Chubb provides up to 125% extended coverage to replace equipment with environmentally sound alternative. We also provide up to \$10,000 per occurrence for electronic data processing media.

**No Gaps.** Chubb's extensive Equipment Breakdown coverage complements our comprehensive Masterpiece® policy.

**Claims Service.** The Equipment Breakdown claims unit handles all equipment breakdown losses in conjunction with personal insurance claims adjusters.

**Easy to add coverage.** Equipment Breakdown is an optional coverage that can be added to your Masterpiece® policy today.
