Family ProtectionSM Coverage

Chubb's Family ProtectionSM Coverage helps you protect the people who are most precious to you.

Protecting Your Loved Ones

Home invasion, child abduction, carjacking, stalking threats, road rage, air rage, hijacking. Crimes like these punctuate the news every day. Masterpiece® Family ProtectionSM helps cover your expenses if you or someone close to you is a victim of these crimes almost anywhere in the world*.

No matter where you call home. *During a business trip, you are awakened by a noise outside your hotel suite. You open the door. A burglar attacks you. Whether it's your house, apartment or even a place that you reside in only temporarily, Chubb has you covered. Coverage is also included for family members who don't live under your roof, such as a child who boards in a university dorm. Home Invasion coverage helps mitigate medical, psychiatric, home security and other expenses associated with this crime.*

Coverage on the road. *It's the holiday season, parking at a local shopping center is difficult, but you finally locate a spot. When you park the car, someone forces the door open, jumps in the front seat, and demands that you drive to the nearest ATM. Carjacking coverage applies to you, a family member, or any covered relative who operates or occupies your vehicle. Coverage includes expenses related to bodily injury, trauma, lost wages, insurance deductibles and a reward to find the perpetrator.*

Additional coverage on the road. *You didn't see the other driver when you changed lanes. Now he's tailgating your car and honking the horn. As you and your family pull into a nearby parking lot, he follows. Exiting his vehicle, he runs after you. By the time the police arrive on the scene, you have already been injured. Coverage for road rage includes expenses related to bodily injury, trauma, lost wages and your auto insurance deductible if your vehicle is damaged.*

When stalking is a concern. *Perhaps you parted ways with someone. To protect yourself and your family, you obtain a restraining order. That person proceeds to stalk you, and you contact the police. Chubb can cover certain security measures, such as a professional security consultant, security guard services, security upgrades to your home and, if necessary, temporary relocation.*

*Subject to territorial limitations and foreign advisory warnings

Added Protection When It Matters Most

Wherever your children go. *While at the park with your grandson, you become engrossed in a novel. A few pages later, you look up to check on him. He's gone.* Coverage for child abduction applies wherever your children or young guests may be. Chubb reimburses related expenses such as travel and phone costs; medical, dental and psychiatric costs for the child victim; and a reward for information leading to the conviction of the perpetrator.

Coverage in the air and on the sea. *Just an hour into your flight, a drunken passenger sitting next to you stands and begins shouting. You attempt to calm him. He delivers an upper cut to your jaw. Soon after, he's on the floor, restrained by two flight attendants. The plane diverts to the closest airport, and the authorities take over.* Coverage for air rage includes expenses related to bodily injury, trauma, lost wages and trip delay or cancellation. Hijacking coverage is also included for the same expenses resulting from the hijacking of a commercial conveyance, such as an airliner, tour bus or ferryboat.

Added benefits

Changes to your home and vehicle. If you or a family member suffers a permanent physical injury solely and directly as a result of a home invasion, child abduction, carjacking, road rage, air rage or hijacking occurrence, Chubb will pay for necessary expenses, such as a wheelchair ramp or special steering wheel, to modify your home and/or vehicle.

If the unexpected occurs. In the unfortunate event that a covered home invasion, child abduction, hijacking, carjacking, air or road rage leads to loss of life or certain disabling or debilitating injuries, Chubb provides Accidental Death and Dismemberment (AD&D) benefits.
