Wine Collection

Top Reasons to choose Chubb Insurance Company of Canada for Wine Collection Insurance

Agreed value and Cash Option. Chubb pays the agreed value for itemized bottles whether the item is replaced or the settlement is taken in cash.

Vintner and Sommelier. Chubb's Vintner coverage offers basic protection: theft, fire, vandalism and breakage. Chubb's Sommelier coverage offers additional protection with the following coverages: extremes in temperature, humidity changes, vibration and light damage.

No Deductible. No deductible is applied to this coverage.

Appraisal Threshold. For your ease, Chubb only requires appraisals for bottles of wine over \$10,000.

Blanket or Itemized. Chubb offers the choice while providing the same rate and coverage under both options (blanket coverage subject to a \$5,000 per item limit).

Cost Effective Rating. This coverage ensures that scheduling wine is more affordable than combining wine under contents coverage. Chubb also has the ability to write monoline wine collections.

Breakage. This coverage is included for both Vintner and Sommelier packages.

Worldwide, Transit and Off-Site Storage*. Chubb covers your wine anywhere in the world*. In addition, your wine is automatically covered while in transit to a new location or stored off-site (subject to limitation).

Label Coverage. Chubb covers any damage to the labels of wine: peeling, tearing, etc. Label damage will significantly reduce the value of the wine.

Wine Accessories. Also included in your coverage are climate control systems, racking systems, inventory systems and other accessories.

Access to Trusted Referral Sources. Chubb has relationships with an extensive network of wine experts across Canada, which can provide services such as cellar management and wine storage.
